

**Subject: Invitation to the 3rd International Sustainable City Exhibition – Kish Island, October 13–16, 2025**

**His/her Excellency**

It is our great pleasure to extend a warm invitation to you to participate in the **3rd International Sustainable City Exhibition**, which will be held from **October 13 to 16, 2025**, at the **Kish Island International Exhibition Center**, Iran.

This prominent event brings together key stakeholders, urban leaders, investors, innovators, and policymakers from around the world to explore solutions and opportunities in the fields of **urban sustainability, smart cities, infrastructure development, and green investment**. In addition to the main exhibition, the event will feature **specialized panels, networking sessions, and cultural programs**, offering a unique platform for dialogue and collaboration.

To support your participation, we have arranged a set of logistical and hospitality services, the details of which are outlined in the attached document.

Your esteemed presence as a special guest would greatly enrich the event and contribute to strengthening international cooperation in shaping more sustainable urban futures. We are confident that your participation will pave the way for valuable exchanges and lasting partnerships.

We look forward to welcoming you to **Kish Island** for this meaningful occasion.

Warmest regards,

Mohammad Reza Ghaderi  
Executive Secretary of the 3rd International Sustainable City Exhibition

Your Excellency,

I hope this message finds you well and in great spirits.

It is with great honor and pleasure that I extend to you an official invitation to attend the **3rd International Sustainable City Exhibition**, which will be held from **October 13 to 16, 2025**, at the **International Exhibition Center of Kish Island, Iran**.

This high-level international event will serve as a comprehensive platform to address the key challenges and opportunities of **urban sustainability**, bringing together **urban leaders, policymakers, innovators, researchers, and industry stakeholders** from across the globe. With a focus on practical solutions, global cooperation, and technology-driven transformation, the event aims to foster dialogue and showcase advancements in:

- Smart urban infrastructure
- Renewable energy and clean technologies
- Sustainable mobility and transport
- Waste and water management
- Green architecture and construction
- ICT and data-driven urban management
- Financing sustainable development
- Circular economy and climate resilience
- Digital governance and participatory planning

The exhibition will be accompanied by a series of specialized panels and the **International Conference on Sustainable Urban Development**, where global experiences, case studies, and policy models will be shared and discussed.

To ensure the success of this strategic initiative, we respectfully seek your support and engagement in the following areas:

### 1. Inviting Urban Leaders and City Officials

We kindly request your assistance in extending invitations to mayors, urban planners, and senior officials from municipalities, smart city units, and urban development agencies in your country. Their participation will enrich the discourse, provide real-world insights, and promote peer-to-peer exchange.

### 2. Facilitating Participation of Expert Delegations

We encourage you to invite high-level delegations including representatives from environmental ministries, infrastructure and energy departments, chambers of commerce, universities, and innovation hubs. Their presence will open new pathways for bilateral and multilateral cooperation in sustainable urban transformation.

### 3. Showcasing Your Country's Solutions and Achievements

We warmly invite your country to present its innovations and best practices by setting up a national or institutional pavilion at the exhibition. This will offer an excellent opportunity to highlight your country's urban development projects, clean technologies, smart solutions, and green investment opportunities.

#### 4. Contributing to the Conference Program

We would be honored to welcome speakers, urban experts, and academic researchers from your country to take part in the conference sessions, share case studies, and contribute to panels addressing themes such as climate action, inclusive cities, sustainable financing, and technology in governance.

We believe that your country's active participation will significantly contribute to the success of this global gathering and help build a shared vision for sustainable and inclusive cities of the future.

Thank you for considering our invitation. We look forward to welcoming your delegation to Kish Island and to a productive collaboration.

**To facilitate the attendance of foreign ambassadors, government officials, and heads of chambers of commerce, and significant business delegates we are pleased to provide the following benefits:**
